

## Aviation

### DESCRIPTION OF MAJOR SERVICES

The Aviation Division of the Sheriff's Department provides law enforcement, search and rescue, fire suppression and transportation services for the county and other fire and law enforcement agencies. This fund is established for the maintenance and acquisition of helicopters, aircraft, and equipment for search and rescue, fire fighting and flight operations, with contract revenue and proceeds from the sale of surplus aircraft and equipment.

There is no staffing associated with this budget unit.

### BUDGET HISTORY

The spike in budget in 2006-07 is related to a budgeted transfer out to reimburse the Sheriff's Proposition 172 reserve for the purchase of a new helicopter. Increased revenue from the sale of fixed assets (old helicopters) enables the department to make this transfer.

### PERFORMANCE HISTORY

	2003-04 Actual	2004-05 Actual	2005-06 Actual	2006-07 Modified Budget	2006-07 Estimate
Appropriation	325,457	1,000,000	230,898	3,338,570	3,138,570
Departmental Revenue	439,893	137,135	2,157,012	1,375,000	1,770,705
Fund Balance				1,963,570	

Estimated appropriation is less than budget due to fewer aircraft repairs.

Departmental revenue for 2006-07 is greater than expected because of increased law enforcement services for other agencies, and also due to additional revenue generated from the sale of used aircraft.

Services and supplies of \$740,000 include aircraft repairs and fuel consumption used for fire service missions. There is an increase of \$301,430 because both are expected to increase in 2007-08.

The equipment budget of \$100,000 is for aircraft equipment upgrades that typically occur each year.

Contingencies have increased in 2007-08 to \$255,705 based on estimated fund balance. Pursuant to Section 29009 of the California Government Code, the entire unreserved fund balance must be appropriated each year. The amount not expended is carried over to the subsequent year's budget.

Departmental revenue of \$500,000 represents fees for service for firefighting and air patrol. The increase of \$125,000 is due to anticipated increase for such services this fiscal year. The decrease of \$1,000,000 from other financing sources reflects the conclusion of helicopter sales.
